 I/we agree to make the payments each payment period by 5pm on the same day ("Friday") and enter the RTO # each time properly in the CashApp.

 I/we understand that making additional payments can speed up the payoff timeline, but will not decrease the balance owed or the number of payments that must be paid.

 I/we understand that AutoHelp will accept the cumulative rental and RTO payments made during the Fixed Term as the consideration to purchase the vehicle.

 I/we agree to maintain the Insurance Coverages required as listed on this web link: wehelpfoundation.com/ins.html – **I/we certify that we have read the information on this page/link and have secured and will continue to maintain the proper insurance.**

[5.0.]

I/we understand that at the end of the Fixed Term, after all payments have been paid and all balances have been satisfied, I/we will have the opportunity to complete the title transfer paperwork and pay the usual and customary costs associated to the transfer of title, registration and tag production.

[5.0.]

I/we understand the right to complete the purchase of this vehicle is conditioned upon meeting the terms of this agreement.

[5.0.]

I/we understand the usual and customary costs to take ownership shall include, but not be limited to; the cost to (i) transfer a plate, (ii) register a new plate, (iii) transfer the title and produce the registration, (iv) taxes, (v) any other DMV related costs associated to the transfer of title.

[5.0.]

I/we agree that payments made during the Fixed Term are "credited" to me as the consideration to purchase. I/we shall be responsible for exercising the option to take ownership by providing notification to AutoHelp within 24 to 48 hours of making the final payment.

[5.0.]

I/we agree that if the vehicle is returned, this agreement will be terminated by AutoHelp. It is understood that the consideration shall be canceled, and I/we shall not receive any form of reimbursement or payment from AutoHelp.

[5.0.]

I/we agree to drive the vehicle no more than 150 miles per day, which is the approved (mpd). I/we agree to pay \$.25 (twenty-five) cents per mile over the approved mpd, if the vehicle is repossessed or if I/we default on this agreement.

[5.0.]

I/we agree that the vehicle shall NOT be driven or taken outside of the following counties: Duval, Clay, Nassau, Baker, St. Johns or Putnam. I/we understand that I/we have permission to operate this vehicle within these counties only.

[5.0.] I/we agree to provide proof of continued Insurance Coverage each month. I/we understand that if proof of coverages are NOT provided when requested, AutoHelp will deactivate the vehicle and initiate repossession procedures.

[5.0.] I/we agree that AutoHelp should NOT have to chase me/us down for payments. I/we agree to contact AutoHelp before 5pm if I/we know that the payment is NOT going to be paid, to discuss payment options or prepare for the surrender of the vehicle.

[5.0.] I/we agree that if the payment is NOT paid by 5pm on the day it is scheduled to be paid, AutoHelp will send me a one-time courtesy text notification and if I/we fail to reply within one hour, AutoHelp may initiate the repossession process.

[5.0.] In the event I/we default under this agreement, in addition to any other remedies available to AutoHelp at law or in equity, AutoHelp shall have the option to terminate this agreement and all rights hereunder.

[5.0.]

I/we agree that if an accident occurs, if I/we are capable, I/we will contact the Service Team as soon as the accident happens to get instructions on how to handle the insurance claim.

[5.0.]

If the vehicle is stolen, involved in an accident and/or damaged and considered a "total-loss", I/we agree to pay AutoHelp the entire unpaid balance less any proceeds paid by an insurance company. I/we agree to contact the Service Team bi-weekly to schedule and complete inspections of the vehicle, to check fluids, to ensure the vehicle is running properly and to ensure the vehicle is maintained properly.

- [50.] I/we understand that the balance owed at any point in time is determined by deducting the total number of payments paid from the total number of payments due, and that difference is the payoff or "balance-due".
- [50.] I/we agree the vehicle shall NOT be used for any illegal purposes; in any reckless manner; in a street race or speed contest; or allow the vehicle to be used to tow or push anything.

[5.0.] I/we understand that AutoHelp will NOT charge a diagnostic fee. I/we understand that AutoHelp will use its best effort to determine what the issue is and what it would cost to repair.

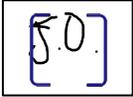

[5.0.] I/we understand that the time-frame at which AutoHelp is able to schedule and complete a diagnostic of a vehicle and/or complete repairs is subject to the existing number of vehicles already scheduled for repairs or inspections.

[5.0.] I/we understand that this plan gives me/us access to deeply discounted parts without a markup. If the technician confirms that he/she can complete the repair to the vehicle, I/we will purchase the parts. I/we understand that AutoHelp has access to suppliers who can provide parts for a vehicle at lower than market average prices and pass those discounted price savings directly to me/us. I/we understand that AutoHelp will NOT mark up the cost of a part to make a profit.

[5.0.] I/we understand that I/we will have access to deeply discounted labor pricing. After the technician completes the diagnoses, he/she will look up the standard retail rate for a repair, (what anyone would expect to pay at a dealership) and disclose that pricing information to me/us. I/we will be able to compare that to a much lower price or cost for labor that is being offered. If the technician confirms that he/she can complete the repair I/we would be responsible for paying the discounted labor rate.

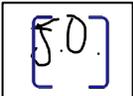

[5.0.] I/we understand that AutoHelp may offer a payment plan to me/us. **I/we understand that a payment plan is not automatically offered.** I/we understand that it is our responsibility to pay for the parts and labor. I/we understand, that in some cases, AutoHelp may allow me/us to break up the costs of either parts or labor into a weekly or bi-weekly payment arrangement, but NOT both parts and labor.

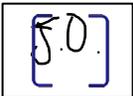

- [5.0.] I/we understand that AutoHelp is extending this "Service-Agreement" and "Service-Plan" to me as a courtesy.
- [5.0.] I/we understand that the service plan and this agreement is not a "Warranty" but rather an affordable plan designed to help me/us pay for the maintenance and repair of the vehicle.
- [5.0.] I/we agree to contact AutoHelp bi-weekly for inspections and use this plan for the maintenance of this vehicle. I/we agree to contact the service team at the number provided PRIOR to having any inspections or repairs completed by a shop or dealership.
- [5.0.] I/we understand that it is my/our responsibility to keep up with the regular maintenance of this vehicle and that if I/we do NOT bring the vehicle in for maintenance when requested by AutoHelp, the vehicle will be shut disable, repossessed, and I/we will be responsible for all costs associated to taking possession of the vehicle (a minimum of \$385).
- [5.0.] I/we understand that I/we are responsible for any and all repairs to this vehicle and agree to use this Service Plan in good faith to keep up with the maintenance of this vehicle.
- [5.0.] I/we affirm that I/we drove the vehicle prior to completing this transaction AND agree that the vehicle is performing as it should without any mechanical issues; therefor I/we agree that if the vehicle develops any mechanical or electrical issues, I/we shall use this service plan as intended to repair said issues.
- [5.0.] I/we understand that if my vehicle develops mechanical issues, OR is involved in an accident, that I/we will be responsible for the payments while the vehicle is being repaired. I/we understand that failure to continue making payments will constitute a breach of this agreement.

 I/we understand that the time-frame at which AutoHelp is able to schedule and complete a diagnostic of a vehicle and/or complete repairs is subject to the existing number of vehicles already scheduled for repairs.

 I/we understand that if the vehicle is paid-in-full and there are no payments or outstanding balances between the parties, that all parts and labor costs will be paid by me/us upfront, prior to any repairs being completed, OR the vehicle will remain in our possession until such time that any outstanding balances are paid in full.

 I/we understand that prior oral statements, negotiations, communications or representations about the maintenance and repair of this vehicle, are not binding and are superseded by this agreement.

 I understand that this Agreement does NOT bind AutoHelp or the We Help Foundation to any repairs. I/we understand that AutoHelp reserves the exclusive right to accept or decline to work on any vehicle.

 I/we have examined the statements in this agreement and agree with all of its contents.
